Vision

Local Folkal, LLC is a nonprofit cooperative association of artists, artisans, crafters, and supporters of local arts and crafts. This organization was formed to support artistically creative work, encourage local production for local consumption and to provide an affordable opportunity for artisans to work locally.

Local Folkal is a socially and environmentally responsible establishment offering expressions of creativity from our local community such as:

- All kinds of art (painting, sculpture, photography, etc.)
- Artisan work (pottery, wood, glass, weaving, metal, jewelry, etc.)
- Crafts (candles, sewing, soap, quilting, etc.)
- Written creations (books, poetry, postcards, occasional cards, etc.)
- Edibles (olives, olive oil, honey, wine vinegar, chocolate truffles, etc.)

From birdhouses to flower bouquets, from toys to musical instruments we offer an outlet for creative hands and minds in an affordable and environmentally responsible manner.

Local Folkal is a source of inspiration and education for creative hands and minds of all ages by offering such things as:

- Public demonstrations
- Open studios
- Hands on lessons
- Artistic mentoring

At Local Folkal we believe that creative work is engaging and fulfilling. It nurtures the sense of well being that comes from integrating our work with our most deeply held values and it becomes a meaningful expression of who we are as human beings while actively contributing to a better community and world.
